

Whitsett Roads

(sung to the tune: Country Roads by John Denver)

Sentinel Peak is close to heaven
Beautiful pine tree standing all around me
Life is fun here, most fun I've ever known
Camp is filled with wonders I know I'm always home

Chorus:

Whitsett Road, take me home
To the place where I belong
High Sierras, Great Sequoias
Take me home, Whitsett Road

I remember swimming in Ida's waters
Shooting Shotguns, clay between my fingers
Riding horses so much I couldn't walk
Shouting my patrol yell so loud I couldn't talk

Chorus:

Still hear the sounds of the bugle in the morning
Reveille reminds me that a meal is on the way
And every time I think back on the laughter and the good times
It makes me wanna say, wanna say

Chorus:

Whitsett Road, take me home
To the place where I belong
High Sierras, Great Sequoias
Take me home, Whitsett Road
Ya take me home Whitsett Road
