

# Moose Song – “Wayo – Wayo”

There was a great big moose, (open hands with thumbs on head)  
Who liked to drink a lot of juice. (make drinking motions)  
(x2)

[CHORUS:]

Singin' way-o, way-o, (wave hands open in the air)  
Way-o way-o way-o way-o. (hold your hands together and make wave motions side-to-side)  
Way-o, way-o! (do the Cabbage Patch)  
Way-o way-o way-o way-o. (wave hands open in the air)

The moose's name was Fred, (open hands with thumbs on head)  
He liked to drink his juice in bed. (drinking motions, then lay head on folded hands)  
(x2)

[CHORUS:]

Singin' way-o, way-o, (wave hands open in the air)  
Way-o way-o way-o way-o. (hold your hands together and make wave motions side-to-side)  
Way-o, way-o! (do the Cabbage Patch)  
Way-o way-o way-o way-o. (wave hands open in the air)

He drank his juice with care, (make drinking motions)  
But he spilled some in his hair. (Run hands down side of head)  
(x2)

[CHORUS:]

Singin' way-o, way-o, (wave hands open in the air)  
Way-o way-o way-o way-o. (hold your hands together and make wave motions side-to-side)  
Way-o, way-o! (do the Cabbage Patch)  
Way-o way-o way-o way-o. (wave hands open in the air)

(Slowly)

Now he's a sticky moose, (Run hands down side of head)  
But he's a moose, (open hands with thumbs on head)  
Full of juice, (pat hands on stomach)  
On the lo-o-o-o-oose! (make a howling motion for long 'O')

[CHORUS:]

Singin' way-o, way-o, (wave hands open in the air)  
Way-o way-o way-o way-o. (hold your hands together and make wave motions side-to-side)  
Way-o, way-o! (do the Cabbage Patch)  
Way-o way-o way-o way-o. (wave hands open in the air)
